

February 21, 1989      LB 368  
                                 LR 31

PRESIDENT: Thank you. Senator Schellpeper would like to announce that our doctor of the day is Dr. McGahan. Would you please stand, Doctor, and am I pronouncing your name right, McGahan? Okay. And Dr. McGahan is from West Point, Nebraska. Please welcome him to us today. Thank you. We'll move on to LR 31, please.

CLERK: Mr. President, LR 31 offered by Senator Schimek and other members. It is found on page 751 of the Journal. (Read brief explanation )

PRESIDENT: Senator Schimek, please.

SENATOR SCHIMEK: Mr. President and members of the body...

PRESIDENT: (Gavel.) Excuse me.

SENATOR SCHIMEK: ...I rise to urge acceptance of LR 31. LR 31 is a feeble attempt maybe to recognize all that the university has done for the State of Nebraska in the past 25 years. Many of us have received education at the university, many of us have received degrees at the university and have gone on to lead productive lives in this state. I think that the university has been a premier institution in the areas of research and teaching, and we would just simply like to say congratulations for 125 years of excellent work. Thank you, Mr. President.

PRESIDENT: Any further discussion? If not, the question is the adoption of the resolution. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 32 ayes, 0 nays, Mr. President, on adoption of LR 31.

PRESIDENT: LR 31 is adopted. Move on to the resolutions, the first one by Senator Lamb.

CLERK: Mr. President, Senator Lamb would move to withdraw LB 368. Senator Lamb offered his motion on February 15 and it is found on page 748 of the Journal, Mr. President.

PRESIDENT: Senator Lamb, please.

SENATOR LAMB: Yes, Mr. President and members, it gives me great pleasure to ask that LB 368 be withdrawn. We have found that the situation that LB 368 was supposed to cure is already in the
